Welcome to Open Studios 2024

In my role as President of **OPEN STUDIOS** I am constantly reminded of the depth and breadth of creative talent that lies in this corner of England.

OPEN STUDIOS brings a wider public together with those who enhance all our lives by their skill and creativity. Open Studios also helps bring new talent to the fore through our extraordinary three week exhibition and by drawing the public into the places where the artists work their magic.

The highlight of **OPEN STUDIOS 2024** will be our **INSIGHT** exhibition at The Base in New Greenham Park from 4-27 May. This event, and the chance to visit artists in their studios, means we 'mere mortals' can get to know and understand more the people of real and enduring talent close to where we live.

I do hope to see you in this exciting year for Open Studios and the artists it supports.

The Rt Hon the Lord Benyon of Englefield

It is with great pleasure that the **OPEN STUDIOS** WBNH Committee welcome you to **INSIGHT 2024** at The Base.

This is our flagship exhibition which will house the work of one hundred and thirty seven artists.

It includes the full variety of disciplines that our artists practise: painting textile art, ceramics, jewellery, sculpture, printmaking and work in wood, stone and glass. Our stewards and gallery staff will help you engage with the display, answer your questions, and help you should you wish to make a purchase.

Our young visitors can also enter our **INSIGHT 2024** Competition. We are inviting all visitors under 18 to use the worksheet provided at the exhibition (also downloadable from our website) to enter and submit their response to the artwork in our Competition Post Box at the gallery as well as posting an image on Instagram using [#oswbh2024](https://www.instagram.com/explore/tags/oswbh2024) [#insight2024atthebase](https://www.instagram.com/explore/tags/insight2024atthebase) – check our website for full details. Open Studio Education Outreach

Each year we produce a worksheet for our young visitors to **INSIGHT** to work through. The sheet can be entered in a competition and a prize of 25 printed postcards of the winning image is given each year for the best drawing in response to art at **INSIGHT**.

This prize is kindly funded by Kingsclere Design and Print.

The worksheet can be used for educational purposes and many schools use it when they come and visit the exhibition. Does your school want to come and visit? We would be delighted to help you to organise your visit and organise some artists to meet the children.

We are pleased that four schools will be able to visit **INSIGHT** in 2024 thanks to funding from Friends of Newbury Spring Festival to cover travel expenses and workshops. Some children will get their very first experience of seeing art in a gallery.

Don't hesitate to get in touch with us by email to chair@open-studios.org.uk to discuss what is possible in the future.

Many of our artists engage with schools for workshops and projects, providing a grand resource on our doorstep. Getting young people stuck in with art materials and feeling free to create, sows the seeds from which future artists grow.

Plan Your Visit

Use this guide as a companion to our website. Once you have decided which artists to visit, check their statements and portfolios with further work on the website and please check any updates on times and booking arrangements.
